CENTRAL INTELLIGENCE AGENCY  
Washington, D. C.

1 November 1951

NOTICE  
NO.

SUBJECT: Salary Increase

1. On 24 October 1951, the President approved legislation which grants a salary increase to Federal employees ranging from \$300 to \$800. The increase is retroactive to 8 July 1951 for CIA personnel.
2. Complete salary table information will not be available in time to properly compute retroactive payments until the first pay period in November. Such payments will, therefore, be included in pay checks received by employees on 23 November 1951.
3. Information appearing in the newspapers has given rise to concern over income tax applicable to the retroactive portion of the salary increase if received subsequent to 1 November 1951. The Bureau of Internal Revenue has advised that tax due from each employee for the calendar year 1951 will be the same regardless of whether the payment is effected before or after 1 November 1951.
